SKILLS

- ❖ **Technologies** : MongoDB, Express.js, React.js, Node.js (MERN Stack)
- ❖ **Frontend** : HTML, CSS, JavaScript, React.js, Bootstrap
- ❖ **Backend** : Node.js, Express.js, MongoDB, SQL
- ❖ **Authentication & Version Control** : JWT, Bcrypt, Git, GitHub
- ❖ **Tools** : GitHub, Visual Studio Code
- ❖ **Others** : OOP, DBMS, Cyber Security

EDUCATION

- ❖ Bachelor's in Information Technology | Savitribai Phule Pune University
Year of Study : Fourth Year (Pursuing) | **Current SGPA** : 8.50
- ❖ Higher Secondary Certificate (HSC) | Shri Dnyaneshwar Mahavidyalaya, Newasa
Percentage : 73.5% | **Year** : 2022

EXPERIENCE

- ❖ **MERN Stack Developer Intern | Ceeras IT Services**
Remote | Feb 2025 – June 2025
Worked on a full-stack management platform using the MERN stack, focusing on building responsive frontend interfaces, developing secure backend APIs, and ensuring seamless data flow between admin and user modules.

PROJECTS

- ❖ **Zerodha Stock Trading Platform**
 - Built a full-stack stock trading simulation app inspired by Zerodha with session-based auth, dynamic Buy/Sell dashboard, and real-time trading features using a dual React frontend and Node.js backend.
 - Tech: MERN Stack, express-session, MongoDB, Bootstrap
 - Link : <https://zerodha-frotend.onrender.com/>
- ❖ **Full Stack Food Delivery Application**
 - Developed an end-to-end food delivery application that allows users to browse menus, filter items, place orders, and track deliveries, featuring secure payment integration and an admin panel for efficient management.
 - Tech: MongoDB, Express, React, Node.js (MERN stack), JWT, bcrypt, Stripe, CSS.
 - Link : <https://foodflow-ui.onrender.com>
- ❖ **BlogPage With Admin Panel**
 - Created a blog platform with user/admin roles, JWT auth, and an admin panel to manage posts, categories, and reviews using the MERN stack with MVC architecture.
 - Tech: MongoDB, Express.js, Node.js, EJS, JWT, Bootstrap
 - Link : <https://full-stack-blog-application-with-admin.onrender.com>

CERTIFICATION

- ❖ Full Stack Web Development Certification (MERN Stack) | [Apna College] - [November 2024]
- ❖ JavaScript Language Certification | [Infosys Springboard] - [August 2024]
- ❖ C++ Language Certification | [Seed Infotech] - [February 2024]
